PURPOSE;

This course is designed to assist students in communicating issues that will be or are affecting them in the field. Students will be encouraged to express ideas and concepts for use with the developmentally handic^aped.

OBJECTIVES:

After completing this course the student will:

Communicate verbally and in writing the student's understanding of:

- attendance
- approach to a relationship with clients
- attitude toward supervisor
- competency in reporting
- communication skills

METHODS:

Guest speakers, films and recent literature will be used to facilitate discussion and learning. This class will also be used to assist students with, fieldwork- and fieldwork assignments. Due to the nature of this course, no formal syllabus will be necessary.

Students will be able and are encouraged to pick subject material for discussion.

Since this course is part of Fieldwork I (MRC 115-8), students will be required to attend and participate in discussion. Attendance and participation in class will be used as measurement for partial grading of Fieldwork I (MRC 115-8).
