VI. SPECIAL NOTES:

Course Outline Amendments:

The professor reserves the right to change the information contained in this course outline depending on the needs of the learner and the availability of resources.

Retention of Course Outlines:

It is the responsibility of the student to retain all course outlines for possible future use in acquiring advanced standing at other postsecondary institutions.

Prior Learning Assessment:

Students who wish to apply for advance credit transfer (advanced standing) should obtain an Application for Advance Credit from the program coordinator (or the course coordinator regarding a general education transfer request) or academic assistant. Students will be required to provide an unofficial transcript and course outline related to the course in question. Please refer to the Student Academic Calendar of Events for the deadline date by which application must be made for advance standing.

Credit for prior learning will also be given upon successful completion of a challenge exam or portfolio.

Substitute course information is available in the Registrar's office.

Disability Services:

If you are a student with a disability (e.g. physical limitations, visual impairments, hearing impairments, or learning disabilities), you are encouraged to discuss required accommodations with your professor and/or the Disability Services office. Visit Room E1101 or call Extension 2703 so that support services can be arranged for you.

Communication:

The College considers **WebCT/LMS** as the primary channel of communication for each course. Regularly checking this software platform is critical as it will keep you directly connected with faculty and current course information. Success in this course may be directly related to your willingness to take advantage of the **Learning Management System** communication tool.

Plagiarism:

Students should refer to the definition of “academic dishonesty” in *Student Code of Conduct*. A professor/instructor may assign a sanction as defined below, or make recommendations to the Academic Chair for disposition of the matter. The professor/instructor may:

- (i) issue a verbal reprimand,
- (ii) make an assignment of a lower grade with explanation,
- (iii) require additional academic assignments and issue a lower grade upon completion to the maximum grade “C”,
- (iv) make an automatic assignment of a failing grade,
- (v) recommend to the Chair dismissal from the course with the assignment of a failing grade.

In order to protect students from inadvertent plagiarism, to protect the copyright of the material referenced, and to credit the author of the material, it is the policy of the department to employ a documentation format for referencing source material.

Student Portal:

The Sault College portal allows you to view all your student information in one place. **mysaultcollege** gives you personalized access to online resources seven days a week from your home or school computer. Single log-in access allows you to see your personal and financial information, timetable, grades, records of achievement, unofficial transcript, and outstanding obligations. Announcements, news, the academic calendar of events, class cancellations, your learning management system (LMS), and much more are also accessible through the student portal. Go to <https://my.saultcollege.ca>.

Electronic Devices in the Classroom:

Students who wish to use electronic devices in the classroom will seek permission of the faculty member before proceeding to record instruction. With the exception of issues related to accommodations of disability, the decision to approve or refuse the request is the responsibility of the faculty member. Recorded classroom instruction will be used only for personal use and will not be used for any other purpose. Recorded classroom instruction will be destroyed at the end of the course. To ensure this, the student is required to return all copies of recorded material to the faculty member by the last day of class in the semester. Where the use of an electronic device has been approved, the student agrees that materials recorded are for his/her use only, are not for distribution, and are the sole property of the College.

Attendance:

Sault College is committed to student success. There is a direct correlation between academic performance and class attendance; therefore, for the benefit of all its constituents, all students are encouraged to attend all of their scheduled learning and evaluation sessions. This implies arriving on time and remaining for the duration of the scheduled session.

It is the departmental policy that once the classroom door has been enclosed, the learning process has begun. Late arrivers will not be granted admission to the room until the first scheduled break.

Grades assigned for attendance and participation will reflect the student's knowledge and application of the content discussed, willingness to share thoughts about the material, and ability to entertain views different from their own. Final grade is at the discretion of the professor and in accordance with the Class Participation and Professional Development Guidelines described in this course outline.

Additional Notes:

1. This course requires in-class application of the skills learned. Students **must bring to each class a copy of the textbook** to facilitate skill development.
2. All submissions must be in word processing format and follow APA guidelines, unless otherwise indicated by the professor.
3. Students are expected to be familiar with and abide by the College's Student Code of Conduct.
4. Students are expected to act in accordance with the SSW Code of Ethics and ensure respectful participation within class.
5. Punctual completion of assignments is required. Acceptance of late assignment submissions is at the discretion of the professor and is subject to a 10% grade reduction per day (including weekends). **No late assignments will be accepted or graded after one week following the due date unless negotiated in advance.** Students are encouraged to proactively discuss with the Professor any serious circumstances that might interfere with the timely completion of their assignment.
6. Students are responsible to contact the professor directly and immediately when substantial and substantiated reasons create the need for missing an exam. Students must **email** the professor immediately at rick.gadde@saultcollege.ca requesting a make-up test and state the reasons why this is needed. Consideration and determination of the opportunity to make up a missed exam is at the professor's discretion. Generally, this is granted only for exceptional circumstances.
7. Students are expected to be prepared for class (complete associated readings) & actively participate in classroom activities (case studies, mock interview role-plays) to promote classroom learning and application of crisis intervention strategies.
8. Cell phones, pagers, and watches that 'beep' must be off or on vibrate mode. Students may respond to calls/pages after class time.
9. Use of computer is for class related purposes only. Students who do not comply will not be permitted to use a laptop in class.
10. Beverages/food is allowed in class on the condition that students' dispose of garbage and it does not interrupt learning of others. This privilege will be rescinded if these conditions are not followed.
11. Students are encouraged to discuss their learning needs and assignments with the Professor. If a student has a particular concern about the grade of a particular assignment, they must email the professor and request an appointment to discuss this issue. Students are expected to come prepared to the meeting with a written summary of their concerns, comments, etc.
12. All attempts are made by the Professor to start and end classes on time. Students who arrive late for class may not be permitted entry, and those who chronically arrive late will be asked to meet with the Professor. Marks will be deducted for chronic lateness and will be reflected in the class participation mark.

CLASS PARTICIPATION & PROFESSIONAL DEVELOPMENT GUIDELINES:**ALL EXPECTATIONS MET****20points**
