designed to be completed in AFT360, but, due to circumstance beyond the control of either the student or the college this is not always the case. Therefore, providing the student is proceeding at a satisfactory level in the flight training, they will be awarded an X grade.

To maintain a satisfactory grade a student must meet the following standards:

- Achieve satisfactory progress on each lesson plan.
- Pass each stage check in the allotted time. In an effort to accommodate different learning styles, the phases may allow for a personalized learning plan developed on a case by case basis.
- Attend at least 95% of all of the scheduled lesson plans and assigned duties.
- Students may request a deferment of a flight, including evaluation and test flights, for compassionate reasons. Compassionate Grounds for deferment will include but not be limited to death of an immediate family member, personal illness, or recent diagnosis of a serious illness of a family member. Make-ups will not be permitted after the fact for compassionate reasons.
- Achieve a passing grade in all quizzes, tests and exams as required to confirm a sufficient level of knowledge to continue with the next lesson plan.
- Be recommended to write all Transport Canada exams.
- A code of conduct can be found in the SOP General section, and will be adhered to.

The following semester grades will be assigned to students in aviation flight courses:

- CR (Credit) Credit for diploma requirements has been awarded.
- S Satisfactory achievement in field /clinical placement or non-graded subject area.
- U Unsatisfactory achievement in field/clinical placement or non-graded subject area.
- X A temporary grade limited to situations with extenuating circumstances giving a student additional time to complete the requirements for a course.
- NR Grade not reported to Registrar's office.
- W Student has withdrawn from the course without academic penalty.
