

COURSE OUTLINE: FIT203 - PREVENTION OF INJURY

Prepared: Lisa Folz

Approved: Bob Chapman, Chair, Health

Course Code: Title	FIT203: PREVENTION AND MANAGEMENT OF INJURY
Program Number: Name	3040: FITNESS AND HEALTH
Department:	FITNESS & HEALTH PROMOTION
Semesters/Terms:	20F
Course Description:	This course explores risk factors involved with regular exercise, and sport and exercise specific injuries. Basic first aid principles will be reviewed in relation to athletic injuries as well as the physiological cause and appropriate prevention techniques to prevent reoccurrence. The role of the athletic trainer or personal trainer when considering athletic equipment, and playing surfaces. This course will have both theory and applied components so students will gain practical knowledge along with their theory base.
Total Credits:	3
Hours/Week:	3
Total Hours:	45
Prerequisites:	FIT155, FIT156, PNG121
Corequisites:	There are no co-requisites for this course.
This course is a pre-requisite for:	FIT254, FIT255
Vocational Learning Outcomes (VLO's) addressed in this course: Please refer to program web page for a complete listing of program outcomes where applicable.	3040 - FITNESS AND HEALTH VLO 1 Conduct assessments of fitness, well-being, and lifestyle for clients and effectively communicate assessment results. VLO 2 Prescribe appropriate physical activity, fitness, active living, and lifestyle programs to enhance health, fitness, and well-being of clients. VLO 3 Utilize appropriate interviewing and counselling skills to promote or enhance health, fitness, active living, and well-being of clients. VLO 4 Collaborate with individuals in the selection and adoption of strategies that will enable them to take control of and improve their health, fitness, and well-being. VLO 5 Develop, implement, and evaluate activities, programs, and events which respond to identified needs and interests of clients and maximize the benefits of health, fitness, and well-being. VLO 6 Train individuals and instruct groups in exercise and physical activities. VLO 9 Implement strategies and plans for ongoing personal and professional growth and development. VLO 10 Develop and implement risk management strategies for health and fitness programs, activities and facilities.
Essential Employability	EES 1 Communicate clearly, concisely and correctly in the written, spoken, and visual form

In response to public health requirements pertaining to the COVID19 pandemic, course delivery and assessment traditionally delivered in-class, may occur remotely either in whole or in part in the 2020-2021 academic year.
