Students will prepare (either singly, or in Pairs) a 15 to 20 minute seminar (exclusive of films or guest speakers) to be presented in class. Students may choose their topics from the text or other resources - but, topic must be cleared with instructor at least 2 weeks prior to presentation dates. Seminar schedule will be arranged in class, so come prepared with 2 or 3 topic suggestions and dates for presentations. HINTS: try to pick a topic that interests you, it will be more fun to do! Also check for information before scheduling topic and time to be sure you can locate enough information for your presentation.

\* Failure to present a seminar on an assigned date will result in a grade of 0 (zero) for this project.
