

COURSE OUTLINE: NSG205 - COMMUNITY HEALTH

Prepared: LPILON

Approved: Bob Chapman, Chair, Health

Course Code: Title	NSG205: COMMUNITY HEALTH
Program Number: Name	3043: PROF. NRS. PRACTICE
Department:	PERSONAL SUPPORT WORKER
Semesters/Terms:	22W
Course Description:	Students will examine different strategies to address specific community needs. Students will have opportunities to collaborate with community agencies and apply community leadership skills to practice. The promotion, restoration and maintenance of health for individuals and families are stressed during community-based experiences.
Total Credits:	3
Hours/Week:	3
Total Hours:	45
Prerequisites:	There are no pre-requisites for this course.
Corequisites:	There are no co-requisites for this course.
Vocational Learning Outcomes (VLO's) addressed in this course:	3043 - PROF. NRS. PRACTICE VLO 2 Uphold the principles of accountability, diversity, equity and dignity in the care of Canadian seniors and their families through the examination of the role of the registered nurse. VLO 8 Examine and implement professional self-care strategies to optimize resilience in the provision of safe and quality nursing care. VLO 9 Apply leadership strategies at the levels of the professional, organization and health-care system to support positive relationships and decision making in the Canadian healthcare setting.
Essential Employability Skills (EES) addressed in this course:	EES 1 Communicate clearly, concisely and correctly in the written, spoken, and visual form that fulfills the purpose and meets the needs of the audience. EES 2 Respond to written, spoken, or visual messages in a manner that ensures effective communication. EES 5 Use a variety of thinking skills to anticipate and solve problems. EES 6 Locate, select, organize, and document information using appropriate technology and information systems. EES 7 Analyze, evaluate, and apply relevant information from a variety of sources. EES 8 Show respect for the diverse opinions, values, belief systems, and contributions of others. EES 9 Interact with others in groups or teams that contribute to effective working relationships and the achievement of goals.
