

COURSE OUTLINE: CYC352 - GENDER MINORITIES

Prepared: Child and Youth Care Faculty

Approved: Martha Irwin, Chair, Community Services and Interdisciplinary Studies

Course Code: Title	CYC352: WORKING WITH GENDER SEXUAL MINORITIES
Program Number: Name	1065: CHILD AND YOUTH CARE
Department:	CHILD AND YOUTH WORKER
Semesters/Terms:	21W
Course Description:	A course that prepares students to work effectively with those who identify as gender and/or sexual minorities. Students will learn about the impact of the inter-relationship among family, social service, and community systems on children, youth and their families. The focus will be on developmental issues, use of sensitive and direct questioning techniques, strategies for engagement, support and creating safe spaces. Students will become familiar with best practice models in assessing specific needs of their clients, engaging in positive treatment planning, making appropriate referrals, and advocacy. Some areas of emphasis will be history, diversity issues, peer support, self-esteem building among clients, education both within the gender and/or sexual minority communities as well as the community at large, and supporting families.
Total Credits:	3
Hours/Week:	3
Total Hours:	45
Prerequisites:	There are no pre-requisites for this course.
Corequisites:	There are no co-requisites for this course.
Substitutes:	CYW327
Vocational Learning Outcomes (VLO's) addressed in this course:	1065 - CHILD AND YOUTH CARE
Please refer to program web page for a complete listing of program outcomes where applicable.	VLO 1 Develop and maintain relationships with children, youth and their families by applying principles of relational practice and respecting their unique life space, cultural and human diversity.
	VLO 2 Assess and respond to the strengths and needs of children and youth, including complex responses impacted by developmental, environmental, physical, emotional, social and mental health challenges in order to promote positive change.
	VLO 3 Analyze and evaluate the impact of the inter-relationship among family, social service, justice and community systems on children, youth and their families and use this information in the planning of holistic care and in the reduction of systemic barriers.
	VLO 4 Plan, implement and evaluate interventions using evidence-informed practices in the areas of therapeutic milieu and programming, and group work to promote resiliency and to enhance development in children, youth and their families.
	VLO 5 Advocate for the rights of children, youth and their families and maintain an anti-oppression perspective and cultural competence in diverse cultural contexts.
	VLO 6 Apply communication, teamwork and organizational skills within the interprofessional
