The student is ultimately responsible and obligated to contact the professor by phone, in person or in writing prior to the assigned due date or test time. The 24-hour voice mail number allows you to immediately notify the professor with your name, message and phone number.

Upon returning to the college, (i.e. first day back) the student will immediately contact the professor to make arrangements for the test or assignment. Call, or come by the professor's office, or leave a note under his/her office door with a telephone number where you can be reached. Failure to do so will result in a zero grade.
